From the Desk of the District Governor

Hello Fellow Lions!! Welcome Spring!! I am so excited to see that VDG Deb (as I am writing this is at Oak Brook) finishing up her training and making memories that will last a lifetime. We are in Great hands for next year!!!

We have achieved great things this year! Over halfway through and we have a lot of work to do. We are still focused on Membership, we need to grow our clubs, growing relationships and networking with all in the same path as us.

Our Convention is shaping up nicely, I am looking for some volunteers that would like help with the carnival Saturday afternoon, and we are looking for volunteers that will be actors in the murder mystery on Friday night. If you are interested, please reach out to me as soon as possible. We will need 12-15 actors for Friday night and 6-8 volunteers on Saturday from 1-4ish.

I still have a few club visits to schedule, if you would like me to come to your club for a meeting or service event please reach out to me. My spring calendar is filling up quickly.

I am still working on towns that would like a wheelchair accessible swing in their playgrounds. If your club is interested in sponsoring a swing, please let me know, I am trying to get this done this year. IPDG Kathy can get us a matching grant from LCI. I need to know how many we need to ask for.

As always please reach out with any questions or suggestions!!

Let's ROAR

What is a Lion?

Lions are dedicated men and women who volunteer their time to humanitarian causes in the local and world communities. By conducting service projects and raising funds. Lions strive to help those in need. wherever it exists. The Lions motto

"WE SERVE" is not merely a motto, but our definition and philosophy for life!

Ever since Helen Keller challenged Lions to become "knights of the blind in the crusade against darkness," we have concentrated on giving aid to those with sight and hearing problems.

Internationally, Lions have nearly eradicated the disease of river blindness in Africa and are no saving the sight of millions in South America by providing cataract surgery. We meet Saturday / Sunday (TBD)

Jericho-Underhill Lions

Jericho Underhill Lions - Fall 2023 & Winter 2024

Several of our members attended the Super Raffle on November 4 in Colchester. It was Lion Loreen Teer's lucky night as she won the Grand Prize (which she said was earmarked for a brake job!) The raffle was also attended by 8 Leos (all young women) who enjoyed

themselves thoroughly (see photos of the group and of PDG Pam Nichols giving them a taste of whipped cream!)

On December 16th our club members were busy delivering Christmas gift boxes to some of the local elderly in our community. This annual service is always much appreciated by the recipients. Thanks to Lion Loreen for again organizing and executing this service.

On January 13th, KL Will Wright, Loreen Teer and Chuck Cyr attended the D45 Winter Forum and food packing event. It was an eye-opening experience to see how a group of roughly 50 well-organized people could pack almost 24,000 servings of nutritious mac 'n cheese in under 3 hours. See photo of the winning team from the 6 team "competition".

The club held their 33rd annual Pancake Breakfast, held at the United Church of Underhill on Saturday, February 17, from 8:00-11:00. This event is a fund raiser for the David Damkot memorial scholarship fund - which provides scholarships to local graduating high school seniors. If you're available, come and join us for a hearty pancake breakfast!

Heartland Lions

Heartland Lions had their annual Valentine's Day Dinner/Dance on Saturday, February 10 at Fireside Inn & Suites in West Lebanon, NH. This year through generous donations and a 50/50 raffle \$600 was raised and donated to the food shelves in Sharon, Royalton & Tunbridge.

They also hosted the Traveling Lion and FVDG Deb & Lion Bruce Savery (Springfield Lions) came and adopted the Lion.

Here is Lion Pam Greene presenting the Traveling Lion to FVDG Deb!

Heartland Lions will also be selling Roses, Cost \$20 a dozen. Orders due to Lion Mark Howe or Lion Mark Wood no later than March 7. Delivery date is Friday, March 22.

Arlington Lions

The Arlington Lions have been busy this month and last.

Super Bowl Win a Basket Event for the Northshire Special Olympics - We presented the Northshire Special Olympics with a check totaling \$3500.00 which was raised at our event. Fun was had by all!

Vision Screening Report

March 2024

As District 45 Lions, many of us are part of the vision screening process. We go to schools, talk to nurses, screen kiddos and hope that the next school year we can return. There is a gentleman, a Lion even, who travels all over the country with the mission of talking to school nurses and state school nurse Administrators explaining to these very overworked individuals the value of allowing Lions to enter their school and vision screen with our cameras. He explains what we do, free of charge, usually on the nurse's schedule and lets them know we can help them evaluate a student's ability to see properly and maybe even discover issues with vision that may be hindering a student's learning. His name is Lion Michael Wright, and he came to Vermont this past week to further his mission of helping us gain more access into Vermont schools. He had meetings with school nurses all over the state. While here, he offered to stop in and give us a preview of the training we will be getting view zoom in the months ahead.

Lion Michael is well versed in the new Plusopticx cameras we have just purchased. Having worked for Plusoptix (not presently but previously), and because he and I have been communicating about the values of color-blind screening, eye dominance testing and yes, vision screening in general he was able to get the blessing of the Plusoptix company to come and give us a lesson on our new screeners while he was in Vermont. His "day job" is as a teacher of the visually impaired, with experience over the past 20 years working with children and adults who are blind or have low vision. He has worked with organizations such as Lions Clubs International and the Benevolent and Protective order of Elks all over the country to improve vision screening programs in schools and local communities. Through the non-profit organization, Advocates for Blind Citizens, and as Executive Director, Michael oversees the development of training programs for post-acute care providers and coordinates the services offered through the "Solutions on Low Vision" training seminars which they sponsor.

With all that being said, I want to thank the 20 Lion Visioneers who gave up a beautiful Saturday morning to attend this very quickly organized training in Springfield. Michael's trip to our state is not his first. He was a presenter at last year's Vermont School Nurse Conference where he was successful in educating many of these nurses in the value of our vision screening program. His trip this week was also a quickly organized affair on his part as he took advantage of a lull in his schedule to meet with several more school nurses here in Vermont who wish to get further information about his services. I have been asked by Michael if I would attend the Vermont State School Nurses convention with him in March. I could not pass up on such an invitation.

Now for numbers and results from my own great Lions. To date District 45 has screened 17863 students with 2009 referrals. This is such a great accomplishment! Thank you all for the hard work and organizational skills you have exemplified these past many months.

May you all enjoy the coming warmer weather, and the best of what Spring has to offer!

Yours in Kindness and Gratitude.

FVDG Deb

Our Strategic Objective

Prevent avoidable blindness and improve quality of life for people who are blind and visually impaired.

TALES OF THE POST-SERVICE TRAIL UPDATE

February 2024

Wherever Karol and I go this year in our Lions travels, such as the NELC meeting in Rhode Island in early January and the NH MD 44 State Mid- winter a couple of weeks ago (held in Westwood, MA, due to the NH primary and the hotels unwilling to commit to a "Lions" rate!), there is one topic that often is being discussed - Mission 1.5!

Now before you roll your eyes and mutter, "Another membership joke …just another name for the same ole, same ole..", hear me out for a couple of more lines! Mission 1.5 is indeed a plan to grow our membership to 1.5 million Lions by 2027 when Lion Mark is our International President! But the goal is not the membership for the sake of numbers. Mission 1.5 is all about service!

Now I do not know your club necessarily, but if you are like my club, you get it for service needs. We have 30 members, but most of the time there are 12 or 13 Lions doing the work for our service to the community. An addition of three new members this year is a 10% increase in membership. But that is a 25% increase in hands working on projects to aid those who need us every day of our service.

That is an ability to serve more people by having more Lions to share the work. Last Lions year, worldwide we served around 600 million people. And that is only from the numbers actually reported by clubs to International. We are confident that we can serve 1 billion of the world's citizens. But to do so, we need another 100,000 Lions worldwide to have the needed bodies to get the projects done. But that starts with each of our clubs gaining 1, 2, 3, or more Lions each year. And each of us will appreciate having a new pair of hands beside us!

So how do you get a new member? ASK! It really is that simple. What is the worst that can happen? You will not get shot! Some potential Lion might say "No thank you", at least the first time or two when asked. A possible blow to your ego, but not a disaster.

So, what do we say to those that we ask? Do you have your "elevator speech" as to who and what Lions are? What do you emphasize?

1. I talk about Fun - Fellowship - Friendship! We have fun working together which creates fellowship in our clubs. From there, new friendships grow.

2. Emphasize the chance to make a difference! "Where there is a need, there is always a Lion, and you can be part of the solution."

3. Tell them that we are a non-political service club worldwide, with an openness to all as we simply believe in helping others in need.

4. Let them know that there is the chance for personal growth and development through our training in person and on-line programs.

5. Ask them to "Make Things Happen" by being actively involved in rolling up their sleeves, finding solutions as a group, and getting things done in their community!

It really can be that simple for each of us. My club has two new members so far this year. We are trying for a couple of more as, personally, I need more hands helping as I age! I suspect some of you know what that is like! And with more Lions on board, we can tackle larger projects in the community!

Karol and I will be at the Lions Day at the United Nations, affectionately called LDUN, the first weekend of March. Not having been able to attend the last two years as we fulfilled our duties (and Covid the year before), we are excited to participate in our long-time relationship and hear of the new joint projects.

And who knows where else we will be seen. We are ready to join you for special events, or everyday events - just call us!

Karol and I thank all of you again for this honor to serve Lions and the world. We trust that we do our best to represent all Lions world-wide and can continue this service to you wherever we are needed.

Many thanks again! Lion John W. Youney, Past International Director 2021-2023, & Lion Karol Kish Youney, Partner-in-Service

Tips & Ideas to Enhance Your Lions Club Gain Membership through Front Porch Forum

As a Lions club, being known in the community is really a top priority, and there are lots of ways to make your club known. Word of mouth is best, but social media gets the word out to those who aren't "in your circle" in your community. Nowadays, social communications are a *must* – to reach those who don't understand the joy of being a Lion, or services offered for free to those in town. That includes those new to your area, who haven't yet experienced the *goodwill* others in your community have for your club – and that is a demographic you truly need.

No, you need not be on Facebook, Instagram, nor feel that you must 'check the feed' all the time.

What about *Front Porch Forum*? It is effective! And it is simple. No strings attached. If folks are interested, they contact you ...or just show up!

At the last meeting of the Champlain Valley Lions (my new club), a lady came who, years ago, earned a scholarship from a Lions club in the hometown where she grew up, in Massachusetts. She hadn't thought of Lions since college – **but upon reading our club's simple FPF posting, thought, "I want to check that out!"** She got a lot out of her first meeting with us, and members learned a lot from her, too.

Writing can be daunting. So, <u>please borrow & edit</u> what our club's PR chair, Lion Patience Merriman, wrote for our own boilerplate about the **opportunity** to join us. <u>Here it is:</u>

For FPF

The Champlain Valley Lions (CVL) invites all interested neighbors to our monthly meeting on _ (date & time) __at __(name of specific location & street address/room#)_. We have over 30 members now and are actively seeking community-minded folks to join us for service and social opportunities. Champlain Valley Lions welcomes your energy and ideas – especially as we chart a course for community service and fundraising in 2024. Are you someone who likes to get involved, meet new people, and make a difference? Do you believe kindness matters? Come learn more about Lions – the world's largest service organization – and help us build a club that makes a difference for South Burlington, Burlington, and Shelburne.

Front Porch Forum is an easy one. Try it for yourself! Here's the link: frontporchforum.com

As District Governor Travis says, "Membership continues to be a priority, please reach out to the resources that we have available..." Go for it.

RESOLVE TO ATTEND THE FORUM

STEVE SHERER, GENERAL FORUM CHAIR

The holidays are over, and things are beginning to slow down. But the planning for the Forum never slows down. Let's make a resolution to get as many Lions to Louisville as possible. Let registering for the Forum be one of

the first things you do this new year!

Coming to a Forum is such a great educational experience but the social aspect of the Forum is just as great. You will have the opportunity to interact with 2000 other Lions from around the United States and Canada who have just as much great information to share as our presenters. You will have the opportunity to attend seminars presented by our International Officers, stop by the International

Hitting the bag at the Ali Museum

The Louisville Slugger Museum

Directors booth to have one-on-one conversations. Pick up additional courses towards your Lions University degrees. And speaking of the seminars, I just received an update to the seminars list from our education team and they are putting together an outstanding list of learning opportunities. There are also many other opportunities to take part in in Louisville. Perhaps you might like to take a trip to the Louisville Slugger Museum and pick up a personalized bat.

Stroll down sports history by attending the Muhammad Ali Museum. Take a side trip to Churchill Downs, home of the famous Kentucky Derby. Or perhaps just stop at one of the many restaurants in downtown Louisville for a great meal and refreshments.

Our horses are still in the stables being cared for and fed, but I promise when the time comes, they will be ready to enter the paddock and set a pace of learning and excitement in September. Don't miss out on this great learning opportunity.

Visit the website: lionsforum.org and register today.

MANY ATTRACTIONS IN AND AROUND LOUISVILLE

CHUCK CARLSON, HOST COMMITTEE CHAIR

Please think about spending some extra time in Louisville during Forum week. There are so many sites that are within walking distance of most of the Louisville hotels, and some a short drive away. Come in a little earlier or stay a little longer. The Forum room rates are guaranteed two (2) days before and two (2) days after the Forum.

Mohammad Ali Museum: Visit and see where the greatest fighter of all time called his home. See clips of his fights and interviews. Also see his boxing memorabilia.

Louisville Slugger: Take a tour to see how baseball bats are made. Visit the gift shop and purchase a souvenir bat in your favorite color then add your own name or one of your loved ones.

Evan Williams Experience: During the tour you will see the process on how bourbon is made and bottled and its history. Of course, sample some of their flight bourbons after the tour. Their gift shop is ready to sell items for your pleasure.

Derby City Gaming Downton: Get lucky in Louisville. This brand new facility has just opened this past December. Open most days between 9 a.m. and 2 a.m. Test your skills on the slot machines and visit the gift shop.

Whiskey Row: Visit this block-long area on Main Street featuring many local restaurants and a few distilleries.

Belle of Louisville: (pictured below) Visit this historic 108-year-old authentic steamboat, the last of its kind from the great American packet boat era. Plan a luncheon cruise or a four-course dinner cruise. Maybe just stop by for a photo op.

Fourth Street Live: This is the place to visit for some exciting late night entertainment. Many restaurants offer a mixture of menus for lunch and dinner. During your Friday night at the Forum, this is a great area to eat.

A SHORT DRIVE AWAY

Churchill Downs: Visit the home of the world famous Kentucky Derby. Take a tour of the facility, taste the fabulous Mint Julep during lunch.

Corvette Museum: A short drive down I-65 to Bowling Green to see where the iconic car is made and learn of its unique history.

Kentucky Horse Park in Lexington: Enjoy a casual 3-5 hour tour at a minimal cost for this educational theme park to learn about this working farm and its equestrian competition venue.

Louisville Mega Cavern: The world's only fullyunderground zip line.

Kentucky Bourbon Trail: Visit many distilleries while you are in Bourbon country.

The Host Committee needs 350-400 volunteers. Help us make this the best Forum ever!

President's Message Changing the World with International President Dr. Patti Hill

Dear Lions,

This incredible planet is our home and taking care of this earth starts with each of us. As we celebrate Earth Day on April 22, I encourage you to inspire others to join you in an environmental service project, such as planting trees, reducing waste or cleaning up a beach. There are so many ways that you and your club can make a real impact on our planet, and we have great resources on our website that can help you get started.

Caring for our environment is one of the most important issues that we're facing, so let's all work to ensure the health of our planet and of our communities so we can look forward to a brighter tomorrow.

Yours in service,

Dr. Patti Hill International President

Hello Lions, Leos and fellow humanitarians,

I continue to be impressed by the projects Lions are implementing in their communities, made possible through LCIF. As you read this month's newsletter highlighting ways Lions and LCIF are helping alleviate hunger worldwide through our service together, I hope you are inspired to continue supporting LCIF both financially and as an ambassador for our foundation. As we work together to achieve *MISSION* **1.5**, and invite new members into our awesome organization, your stories of service empowered by our global foundation can inspire potential members to join us in our work to improve health and well-being, strengthen communities and support those in need across the globe.

Special thanks to everyone who participated in the 2023 Melvin Jones Photo Contest for sharing your photo and reasons for supporting the mission of LCIF. Congratulations to the winners, featured on the <u>Melvin Jones Photo Contest</u> page. I encourage everyone to visit *LCIF: Stories of Pride* to share your grant-funded projects with your fellow Lions and to read about humanitarian projects around the world.

Make a great day,

JUDGE ANTHONY W. PARADISO INTERNATIONAL DIRECTOR

Judge Anthony W. Paradiso from Rockville Centre, New York, USA, was elected to serve a twoyear term as an international director of Lions Clubs International at the association's 105th International Convention in Boston, Massachusetts, USA, July 7 through July 11, 2023.

Director Paradiso has more than 30 years of law experience and is currently a district court judge responsible for the adjudication of criminal cases in Nassau County, New York.

Looking for an opportunity to give back to his community for the scholarships that allowed him to attend college and later, law school, he was drawn to the service that Lions were providing. He joined the Rockville Centre Lions Club in 1996 where he has continuously served ever since. In addition to his leadership at the district level, he has held a number of offices within the association including multiple district council parliamentarian. He also served as the Lions Clubs International's representative to the UN Office on Drugs and Crime from 2010 to 2023. He has been a group leader for multiple DGE seminars, a panel moderator for LDUN and a forum presenter.

In recognition of his service to the association, he has received numerous awards including the Brandel-Murphy Miracles Through Service Award and Robert J. Uplinger Award. He is also the recipient of multiple International President's Awards and International President's Leadership Awards. He is also a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Paradiso is active in numerous professional and community organizations. He is an executive director and past president of the Columbian Lawyers Association of Nassau County, a past director for the Nassau County Bar Association and past president for the District Court Judges' Association.

When not engaged in Lion service, Director Paradiso enjoys traveling, art appreciation and sharing good food and wine with friends.
