Fellow Lion Leaders,

Don't let anyone tell you that Lions take the summer off !! The list of activities is impressive, covering cooking hundreds of hamburgers for fundraisers, cleaning up the Green Mountain Lions Camp, Whiffle Ball for Diabetes, auctions, aid for Veterans, fishing derby, parades, horseshoe tournament, the amazing Twin State Soccer Tournament and many, many more.Not to mention the planning that is going on for the many fall events that are coming up.

My congratulations to you and Well Done to all involved.

As we take a deep breath and begin to think about the next Lion Year, it seems a good time to get together to plan and share ideas around one of the major goals for the year:

Membership: Recognition / Retention / Revitalization

Ideas and strategies about these '3Rs' will be shared at the Cabinet Meeting on August 18^{th} in

Springfield. Time will then be set aside for Zones to get together and talk about the way each Club and Zone can begin to plan how membership can be strengthened this year. It will be a full day, which I hope will give you an idea of the breadth of service that is happening in D45, as well as time to think and plan. The gift of time is valuable to us all.

GOOD NEWS #1: Lion Jackie Dutil has designed a beautiful pin to mark 100 years of Lions. It will be on sale at the Cabinet meeting, as well as our State Pin for this year. Make sure and stop and have a look at them (and take them home!) as you sign in.

GOOD NEWS #2: It has been confirmed that <u>International Director Mark</u> <u>Lyon and his wife Lion Lyn</u> will be joining us as our guests in May for our State Conference in Rutland. I am sure you will enjoy meeting them and you will give them a warm Vermont welcome. So start making your plans. :0)

Enjoy the rest of our Vermont summer and recharge your batteries. I hope to see all of you in Springfield on the 18th.

DG Liz

We need volunteer shift workers!

AUGUST 24 - SEPTEMBER 2

The Essex Junction Lions Food Booth at the Champlain Valley Fair will be in full swing from August 24th thru September 2nd - shifts from 9:30 to 2:00, 2:00 to 6:00 and 6:00 to close.

Most appreciated are cooks, prep and counter workers. All helpers receive a free Fair pass and enjoy sampling some good old fashioned Fair food such as burgers, dogs and yes - hand cut fries.

Please email Lion Betsy MaGee at lionbetsy2000@yahoo.com with desired volunteer hours and any questions.

Readsboro Lions Club member Brian Bouker was awarded the Melvin Jones Fellowship Award. Lions Clubs world-wide recognize outstanding individuals by bestowing on them an award that is named for its founder, Melvin Jones. This award is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism. Past District Governor Pam Nichols attended the club's meeting to make the award.

This year the Essex Lions Club sponsored Marlee to attend the Green Mountain Lions Camp. For many of the campers this is a rare occasion to be surrounded by other youths that share the bond of using American Sign Language as their primary language. I met one camper's father who helped me to understand the significance of this gift. Outside of camp his son's only opportunity to improve his signing comes through interaction with his signing parents and those signing enhancement opportunities that they can provide. Both of his parents have their hearing and had to learn to sign, but their signing isn't as good as it could be. Like all Vermont deaf youths their son was mainstreamed into public school, but their son's public school interpreter isn't even as proficient as the parents are. As of 2017 Vermont and Maryland remain the only two states who have yet to establish a certification process for Public School ASL interpreters. Many public schools view ASL interpreters as paraprofessionals and their

actual ASL skill set may be quite lacking. Camp truly is a place where these kids can learn and grow.

With that in mind here is a photograph of Marlee (on left) on her first day at Green Mountain Lions Camp in Cabot. It's a great reminder why we Lions strive to assist our community.

This week, the 22 GMLC campers will participate in several activities including horseback riding, Circus Smirkus, on site swimming and boating and of course home cooked meals and evening camp fires.

The last day of our 2018 camp was Saturday 7/21.

We Lions provided an unparalleled summer experience to 32 kids that will help them learn and grow throughout their lifetime. Camp is providing a foundation of language skills and friendships that are priceless. THANK YOU FOR YOUR SUPPORT!

On June 22nd the Orleans Lions held our annual Spring Banquet. It's our time to reflect on our past year in Lions and what we were able to accomplish in service to our community. We also take this time to recognize members who went the extra mile for the Club, Citizen of the Year for our area, and hold our own Super Raffle at the end. This year we were pleased to have PDG Betsy and Lion Dave, and PDG Ken join us. It was a great night as usual with good food, and made even more special with the help of our special friends who joined us to celebrate. The Citizen of the Year was Mr. Mark Tinker, and he won the \$1000 Super Raffle grand prize also, lucky guy.

PDG Betsy and PDG Ken presented the Melvin Jones award to Lion Mark Collette with Mark's wife Didi beside him.

President Dan Maclure presented Lion Randy Cross the Orleans Lion of the Year award.

Dear Heartland Lions,

We are so thankful for your generous contribution that allowed our son, Robin, to go to Diabetes Camp this year. We picked up Robin a few hours ago, and he has been going on and on about how much fun he had, how many new lifelong friends he made, and how great it was to be away from us for a few days (that one hurt a bit to hear :)).

From what I have been reading in their daily newsletters, the staff and volunteers also taught all the kids some new tools on

how to manage their diabetes, which is what we were hoping he would gain from this camp: to see diabetes as a disease he can master, a disease that is hard to manage but sometimes can also bring great opportunities, like making new friends at a fun

camp. It is a disease that doesn't give many breaks to the caregivers. In the 5 years he has been diagnosed, I had to quit my job to be present for him. He has never been away (except for school days), and even there, he has a one-on-one assigned to him at all times.

This was a big step for us as a family: trusting that other people can manage his disease as accurately as us, to trust our son to take the steps necessary to become more independent, and for our 7-year-old to truly "own" his disease. As far as we can tell for the few hours he has been with us, the camp was all we were hoping for and more.

We are forever grateful to you, Lions, for your help in making this happen. We couldn't have done it without your generous help. Again, from the bottom of our hearts, thank you to all of you.

Sincerely, Ben, Nicole, Robin, and baby Esther.

The Norwich Parade and the Norwich Fair are now history for 2018. Thanks to all who participated. For those who couldn't attend please enjoy the photos<u>here</u>.

For 24 years, the Basin Bluegrass Festival has rocked on in Brandon, Vermont. This annual familyfriendly summer festival features a weekend of acoustic bliss in the beautiful Vermont countryside, complete with local vendors, overnight camping, and, of course plenty of bluegrass pickin' performances. Kids and pets are welcome, as is anyone looking for a locally laid-back good time.

Pictured at the Brandon/Forest Dale Lions Club Ice Cream Tent are lions: Connie St George, Bruce Blanch, and Don Crichton. At the ice cream freezer are lions: Gary Gorton and Jackie Dutil.

Thursday thru Saturday (July 19th-21st) was South Royalton Old Home Days. The celebration is SoRo's most popular event turning the green into a colorful micro sized fair with rides, games, food and more. The annual tradition is about getting the community together to support local organizations and just as importantly to have good family fun. Heartland Lions Club took part selling hamburgers/hot dogs and had a float in their annual parade. They won 3rd place for their float pertaining to the theme which was "Under the Sea". They were the only entry with a Sea Lion. As always it was a good time when Lions gather.

BBQ and bidding

THE MIDDLEBURY LIONS Club held their annual auction and chicken barbeque on Middlebury's town green last Wednesday, July 18. Auctioneer Tom Broughton (above left) presided over the evening's bidding with help from Matt Broughton (below left) while other Lions Club members manned the giant barbeque grills and handed out the grub. Below, Wes Smith flips the chickens; above, Wes D'Avignon and Bobby Cyr do some cookin'. All proceeds from the event are put back into the community.

Green Mountain Lions Camp thanks you! A message from Brian Steckley:

Thank you everyone once again for your support of our Green Mountain Lions Camp for the deaf and hard of hearing. 32 kids had a wonderful experience. I would like to mention each volunteer individually, but I wasn't there. I did not take attendance and do not want to offend anyone by omission.

First let me say our finances remain strong. Individual and Club donations as well as support from the Lions Twin State Soccer Association and the Calcutta night kept us in the black. We had additional individual donations from Lions to support special field trips. In-kind items were donated for fun and games, and the safety of all our campers. Kitchen pots, pans, and tools were donated to make Chef Mike's work easy. PDG Ken and Lion Julie did a wonderful job on our Gene Farrar Memo raffle. They raised enough for ten (10) full camper scholarships.

When it was time to work on 6/9/18, we had 48 Lions show up to help. We certainly left our mark on the place. Two long term traditions were continued by the Barre and Manchester clubs. They provided, prepared, served and cleaned up lunches to welcome our campers as they arrived. Other food donations were provided by PDG Betsy, Lions Cindy, Jackie, Loreen, and Mary.

We had many Lion volunteers to help with crafts, activities, and chaperones. A new young Lion member Dave Comstock did a great job in his rookie year. Older Lions – we know who we are – also provided valuable support.

Our camp would not have been a success without the tremendous staff that we assembled. They were wonderful and kept the campers cool through some tremendous heat. Thanks and we hope to see you again next year.

The last event was a through clean-up at the end of Camp. 12 Lions did it all. This is not glamorous, but is necessary to leave it cleaner than we found it. That is the Lions way. We want to be sure we are welcome back again. This was my quick overview of our Lions work that we completed.

Again, thank you for all you did – big or small – it all adds up to our success. Lion Brian – tri-chairman

Lions Twin State Soccer Matches

Thanks to all the players who participated in the 2018 Lions Cup. Both games were really well played and close. NH Girls won an a very close 1-0 game. The boys tied in an awesome 1-1 match. Who could ask for more? Thank you Lions for making the 44th games a FUN and successful event. Without your support the games wouldn't happen. Again, thank you All for your hard work "Having FUN while helping others!"
