

About Our Camp!

The Green Mountain Lions Camp provides a wonderful summer program for deaf and hard of hearing children, their siblings, and hearing children with deaf parents. Our camp has brought together deaf and hard of hearing children and teens from all over New England and beyond for over 30 years. Memories are made and forever friendships are formed in an environment of total communication access. The primary language used at camp is American Sign Language (ASL) and we guide and encourage new signers to practice and use ASL to foster an environment of access and inclusion. We continue for a third year at a beautiful location in Cabot, VT. This campus has hiking trails, fields to play on, a barn for indoor activities, craft cabin and waterfront swimming and boating! In addition, several field trips are planned including horseback riding and the Montshire Museum!

Experienced staff and deaf role models, exciting activities, and unforgettable friendships keep campers coming back every year!

Extended School Year (ESY): During the summer months, some students experience significant regression in the basic skill areas. An ESY is necessary to maintain these students' skills. The Green Mountain Lions Camp can help students maintain these skills. Please contact your Local Education Agency (LEA) for further information about adding summer camp to your child's IEP.

Fees: All camp payments are due by May 25th. Refunds will be available for cancellations received on or before May 30th.

Scholarships: Financial assistance is available for VT campers from the "Lion Gene Farrar/Lion Brian Steckley Memorial Fund". Other scholarship funds are available for non-VT campers. Contact Lion Gia at gmlc.gia@gmail.com for a financial assistance application.

****PLEASE NOTE**** Scholarships are **not** guaranteed! Recipients will be determined after April 30th. Please make sure you contact your LEA for funding!

****Registration for each session is the first day (Sunday) from Noon – 1:00pm followed by a lunch prepared for us by members of the Lions Club. Parents and families are welcome and encouraged to stay through lunch!**

**** Camp ends on the last day of the session (Saturday) at Noon. It is extremely important that arrangements are made to pick up your child/children by that time. A fee may be charged for late pick-ups.**

District 45 Vermont Lions

Lions Clubs International has over 46,500 clubs around the world. Their mission is to “support the efforts of Lions Clubs world-wide in serving their local communities and the world community as they carry out essential humanitarian service projects”. In doing so, they focus on five main areas: sight/hearing, environment, diabetes, hunger, and childhood cancer.

The District 45 Lions of Vermont are involved in clubs all over the state. The members of these clubs are dedicated to serving their communities – that include the Green Mountain Lions Camp! Our Lions raise money for our camp and for scholarships to ensure that every camper that wants to be a part of our camp can be. They have been instrumental in keeping this amazing program running for so many years. Lions from around the state fundraise, provide lunches during registration days, host our activities, and go above and beyond from near and far!

We are grateful for our Vermont Lions!
THANK YOU to each and every Lion who has,
and who continues to, serve our state and
our camp!

Green Mountain Lions Camp ~ 2019 ~
