

August Cabinet Meeting Service Project

The first cabinet meeting is fast approaching and will be held on August 13th at the American Legion in Chester. The theme of the cabinet meeting is one about youth so what better way to honor that idea than to have a service project that addresses the young readers in two of the surrounding towns.

As a service project we would like to collect books for two libraries in this region, the Springfield Library and the host town library, the Whiting Library in Chester. We've contacted their respective Librarians for their wish-list of books they would like to have for their shelves and happily complied. Attached below are their two lists along with some great tips on things to consider when purchasing books for repeated use.

So, lets rattle those Lion Club cages and gather as many books as we can for this wonderful project! We do such a great job protecting their vision throughout the Lion year. Let's put it all to good use. The books will be collected at the meeting and distributed thereafter.

Thank you, everyone for once again stepping up and showing how Lions live the moto, "WE SERVE"

Yours in Kindness and Gratitude,

SVDG Deb Savery

GST Coordinator

Here are a couple of great things for your members to know!

Libraries generally prefer hardcover books for circulation as they hold up much better through multiple patrons. We often purchase paperbacks for giveaways.

Libraries offer books that are diverse and inclusive with the hopes that everyone will feel welcome.

Libraries offer the newest publications as well as classics. We make sure that the non-fiction collections are updated and current.

Libraries provide books in a variety of formats which include board books for the very youngest patrons, picture books, early readers, fiction, graphic novels, and non-fiction.
